

Design Brief: Year 7 - 8

I have invited my two best friends, Sarah and Emily over to my house on Saturday afternoon for a movie party. We will be having popcorn and some snacks. I have decided that I will also make us some smoothies. Sarah is allergic to nuts, so I would need to make sure my smoothies were nut-free, and seeing as its summer, I would like to use berries. I have netball Saturday morning, and by the time I got home I would only have about 30 minutes to make our smoothies. Mum has given me \$15 to purchase the ingredients.
